School District #73

1383 9th Avenue, Kamloops, BC V2C 3X7

To whom it may concern,

Having completed my 10 week certification practicum, I am now ready, eager, and anticipating the opportunity to share my personal skills and knowledge as a teacher for School District #73. My educational preparation at Thompson Rivers University, along with the experiences listed on my resume, have prepared me for the demands and responsibilities of the incredibly rewarding career of teaching.

I grew up in Kamloops, BC and completed all my education within SD73. To become a part of the system that helped shape me into the person I am today would be an impactful and meaningful way for me to begin my teaching career. I would like to leave a positive mark on the community that has left a positive mark on me.

My teaching and leadership experiences have prepared me to meet the educational, emotional, and social needs of the students within the district. I am a strong believer in providing students with opportunities to explore their interests and desires, and I am confident that I can become a positive asset to SD73.

I am very enthusiastic about becoming an educator in School District 73. With my experiences and my passion for education, I am confident that I will be a strong teacher in the district who will continuously strive to learn and grow alongside my students. I look forward to the opportunity to share my knowledge, passion, and enthusiasm for education.

Thank you for your consideration.

Sincerely,
Stephanie Luca
