Objective:

I am a new teacher who is eager and determined to showcase my skills in the field of education. I am a firm believer in the importance of helping all students, regardless of diverse capabilities, reach their full potential, as well as creating classroom communities that are positive, safe, and inclusive. I am seeking employment that will allow me to demonstrate my skills in this area.

Skills:

- Strong communicator/leader
- Open-minded
- Problem solver
- Creative
- Reliable and punctual
- Class 5 license
- Friendly, kind, and empathetic
- Works well under pressure

Education:

Bachelor of Education

- September 2021 - present
- Thompson Rivers University

Bachelor of Arts:

- Graduated in 2021
- Major in English
- Concentrations on History and Communications
- Thompson Rivers University

Teaching Experience:

10 Week Certification Practicum, McGowan Park Elementary (Grade 4)

- Created, designed, and taught lessons in all subject areas
- Built and maintained strong connections with students, staff, and admin
- Designed lessons based on student learning needs
- Differentiated instruction based on individual needs and established a universal design for learning
- Organized and supervised a field trip
- Celebrated student interests and became involved with the Student Advisory Council and Battle of the Books

September “Start Up” Practicum, McGowan Park Elementary (Grade 4)

- Observed and assisted with classroom “start up” routines
- Established connections with students and staff
- Created, designed, and taught lessons in all subject areas

Spring Practicum, Parkcrest Elementary (Kindergarten)

- Created, designed, and taught lessons in mathematics and science
- Redesigned lessons based on learner needs and capabilities
- Established strong connections with students and staff
- Assisted the classroom teacher with activities and classroom routines

First Practicum, Kay Bingham Elementary (Grades 5/6)

- Created, designed, and taught lessons in English Language Arts
- Built strong connections with students and staff
- Observed and assisted the classroom teacher with classroom activities and routines

Lunchtime Supervisor, McGowan Park Elementary, October 2022 - Present

- I have been a lunchtime supervisor at McGowan Park Elementary from October 2022 - present. This experience has allowed me to maintain connections with students and staff within the school community I have become a part of.

Volunteer Experience:

Westsyde Elementary School, October 2020 - April 2021 (Grades 1/2)

- Assisted classroom teacher with routines and activities
- Built and maintained connections with students, staff, and admin
- Observed classroom teacher
